1. Introduction / Objects

A New Way Services INC (A New Way) is a Christian non-profit that exists to practically assist individuals and families in their spiritual, emotional, relational, physical and mental health. The organisation achieves this through:

- Community Programs & Events
- Christian Programs & Events
- Chaplaincy Services
- Welfare Services
- Consultancy Services
- Live presentations
- Media and Resources
- Supporting Young People (aged 12-30)

The constitution ensures legal compliance with NSW Incorporation laws while maintaining a focus mission of the organisation.

1.1 Our Duty as a Public Benevolent Institution

The principal purpose for which *A New Way Services INC* is established is to provide relief of poverty, sickness, destitution, helplessness, suffering, misfortune, disability or distress. This is provided to members of the public without discrimination or prejudice. *A New Way* may directly provide this benevolent relief, or the organisation may fund benevolent relief that is administered indirectly by other charity organisations. *A New Way* may also host events or provide services that raise awareness and funds for benevolent relief.

1.2 Our Duty as a Religious Organisation

A New Way Services INC is a religious organisation, recognised under the charity subtype *Advancing religion*. Every charitable deed of the organisation is for the Glory of God, and as a response to the Christian Gospel. This religious nature is ancillary to providing public benevolent relief and is essential to our organisation.

Our charity assists the public without discrimination; and is also uniquely positioned to assist individuals who are members of the Christian faith, and in times of crisis, spiritual care is often essential to their overall wellbeing. We also support individuals experiencing distress due to religious trauma or spiritual abuse, offering safe and respectful care. Similarly, non-religious members of the community may incidentally ask questions about Christianity or for prayer while receiving practical benevolent relief. We will support any individual on their journey of faith.

To uphold this aspect of our work and to ensure the theological standard of our Charity, *A New Way Services INC* may employ religious practitioners or chaplains to provide pastoral care, prayer, guidance, and activities, for both the public, and our members. The Board retains the authority to commission or ordain staff into these roles, based on their faith, character, theological education and alignment with our mission.
